# Virtual Baby Shower

FEBRUARY 23RD - MARCH 22ND

SHOP | DONATE | SHARE

## EVENT DETAILS:

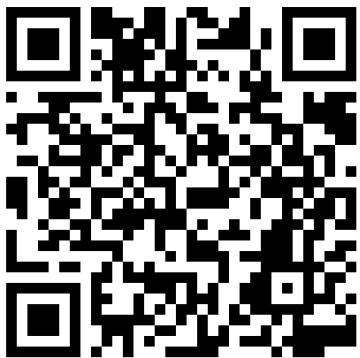

Every February, our team begins to prep as baby season swiftly approaches. Our clinic and baby trailer are about to overflow with injured and abandoned baby animals – some so young their eyes haven't even opened. Their care requires diligence, compassion and lots of supplies. **From February 23rd – March 22nd**, your donation to our Virtual Baby Shower makes you a partner in the care and feeding of these tiny, helpless wild ones. You'll be helping them grow strong, so they can return to the wild where they truly belong.

Make sure to follow us on social media @southwestwildlife to see and learn more!
